

Marcus Hett

Marcus Hett is a seasoned legal and compliance professional with experience across medical devices & pharma, currently serving as the VP of EMEACLA Compliance and Legal Lead for EEMEA, Canada & LATAM at Edwards Lifesciences.

Before joining Edwards, a leader in medical innovations for structural heart disease, Marcus spent over 12 years at Alcon, an ophthalmic medical device company, holding various legal & compliance roles at country, cluster and international level. His corporate career began at Novartis, in public relations.

Marcus holds a Bachelor in Law, a Master's in European & International Law, both from the University of Bern (Switzerland), and passed the bar in Switzerland.
